Hole 18:

You know how sometimes you don't get
your ball back on the 18th hole? Go
to the top of the Annex Garage on Main St.
Put down the spiral incline. This is
sure of a dare than a anything. Get
a hole-in-one just for doing it. Take 3
stroke if you're a wimp! Let your ball
go. It's gone. Par!

Return my putters so others can play!
trouble.

letter each time without getting into it.

In fact, don't play this game at all.

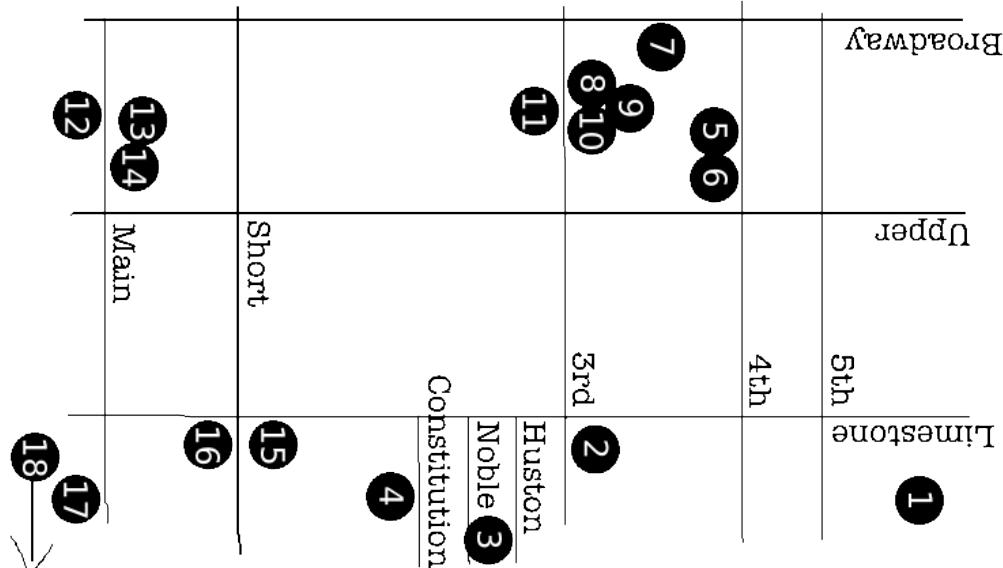

Don't do anything you don't feel safe
about or like.

If you get kicked out of an area, take down a compass:

Don't run into traffic.

γ -stroke limit.

Rules:

Hole 17:

In front of the library, start behind the eternal flame that does not have red bricks at the base. Putt around the first flame and stick the ball on any red bricks next to the other flame.

Par 3

no disrespect.

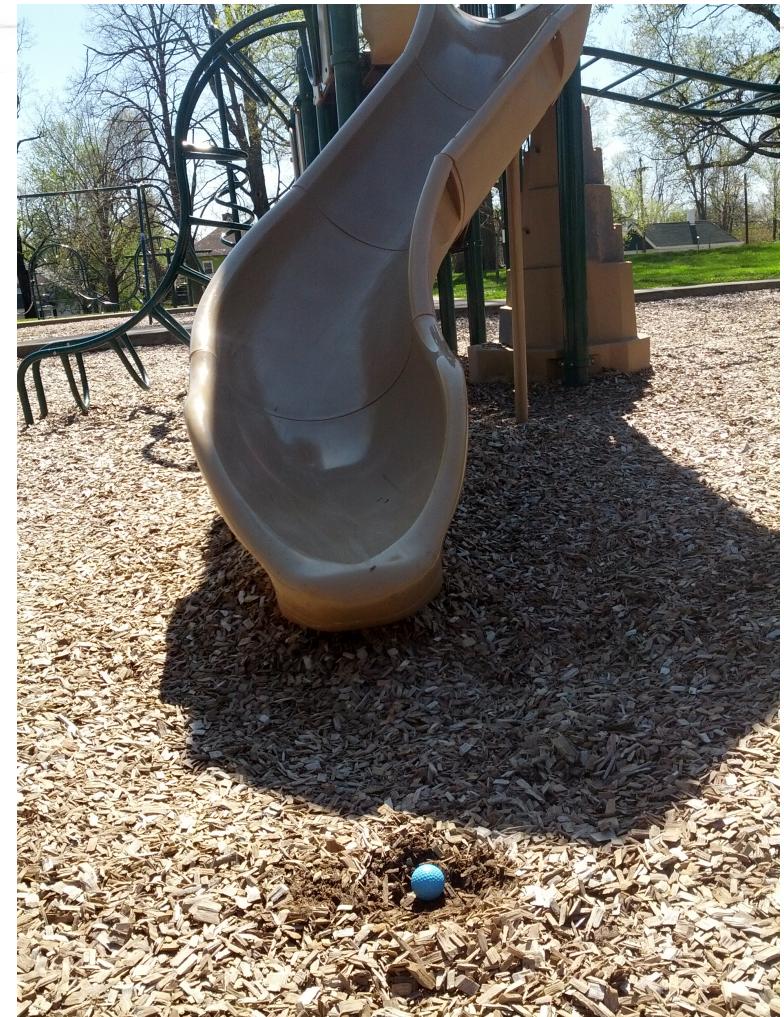

"A Putter with a Kentucky Shaped Head" by N. Warner

Hole 1:

In Duncan Park, behind the building, there is a playground. About 2 feet from the bottom of the curvy slide, make a divot in the wood mulch. Putt from the middle of the platform at the top of the slide, down the side into the hole you made.

Par 3

Over at the Circuit Court, starting from next to the water fountain, land the ball on the "He of Ky" stone sewer cover across the front of the building.

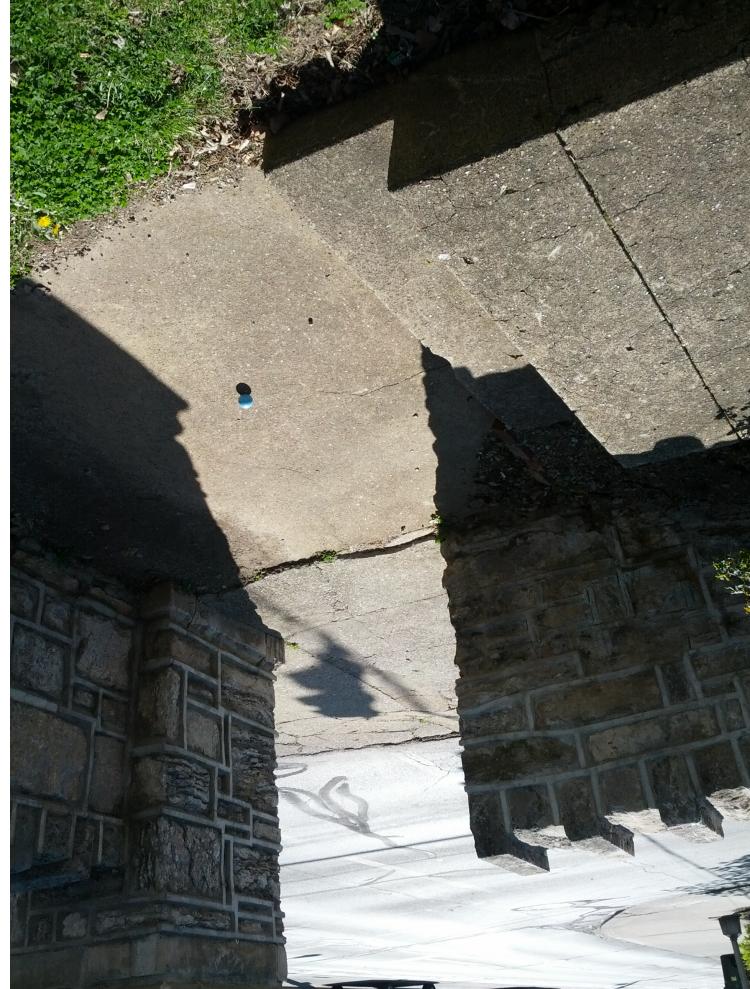

Back on Line Square, in front of the Court house, put from the side walk into the foundation. It doesn't have to stay in the floor glass circle in the center of the fourth in. But it has to touch it.

In front of the old courthouse, there is a doggy water fountain at ground level. Put it into the fountain from the side walk near the right pole.

Hole 16:

Hole 15:

Hole 14:

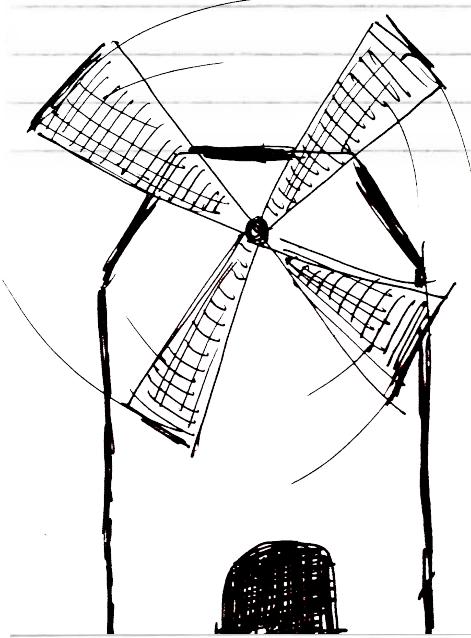

At the corner of 3rd and Lime Street is a
row + of The Carpet Company. There are two pillars
on each side of the driveway. Next to
the pillars there is a side walk that
turns onto the sidewalk on the right. It has
stairs. Follow the walkway a few yards past
the top of the stairs and put from behind
the bush. Just make it down the stairs
onto the square of walkway. Park 2

HOLE 2

Hole 12:

In front of Fifth Third Center there is a sitting area with 3 tables. Putt from the top of the steps onto the drain in the middle.

par 2

"The 5/3 Building as a Windmill" by N. Warner

Hole 13:

At the top of the steps to the old court house, go along the left side (if you're facing the court house). Putt from the drain near the front corner all the way down to the drain at the back-left corner, near the portable toilets. As long as the ball ends up touching the drain, it's good.

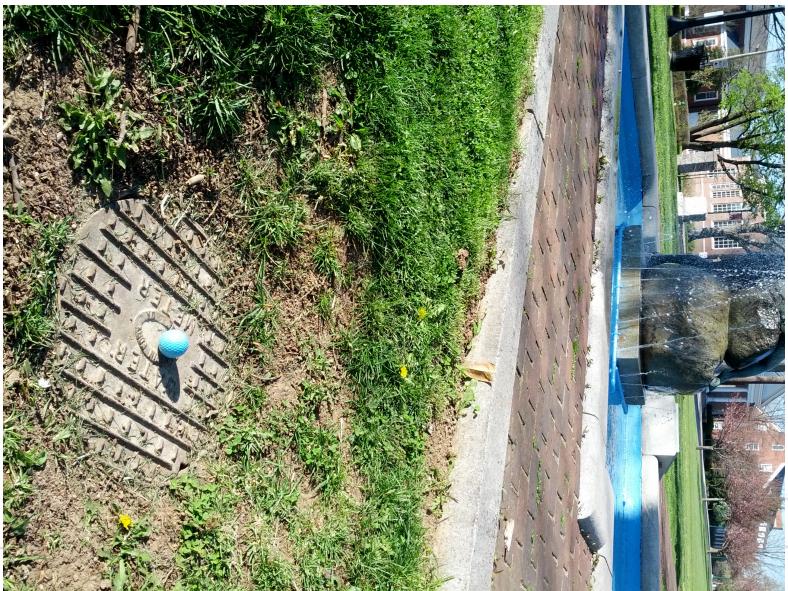

par 1

Hole 3:

Turn left on ^{the alley b/t} Houston and Limestone and about $\frac{1}{2}$ a block down on the right is "Rachel's Garden." It's a nice little wood patio. The hole in the patio with the tree is your hole. Start putting from the far corner of the patio.

Par 2

Par 4

Crafts Park! Starting from the wall/way
in front of the boabies fountain, putt around
the water-hazard, to the left, behind the
fountain and onto the water meter cover.

Hole 11:

Par 4

The next buildings (the really big shivicas) is Old Mission. This one is different.
There is no hole. Starting from the top, putt
down the stairs. Your goal is to hit every
stair. For every stair your ball does not
touch, add one stroke to your score. Hit
every stair for a "hole-in-one".

Hole 10:

Par 5

Go down limestone another half a block to
Lemperman and turn left. First the speed bump
is a cross walk. That's where you're putting
from. Further down Lemperman on the right
is some lighter pavement with some trash
bins. There is a hole in the pavement. Good
luck.

HOLE 4:

Hole 8:

From 3rd St. across from Gratz Park, there is a Glenn Building. Go to the far side and there is a semi-circle patio. Starting from the outside door mat, putt through one of the 3 brick-shaped holes in the semi-circle.

Par 2

~~In front of~~ Haupt Humanities Building
Behind

Sort of in the middle of Transy's campus (I guess, I didn't go here) There is a big circle of benches and in the middle is a concrete fountain-looking structure with Transy's seal in the middle. It looks like a fancy man-person-hole cover. Stand on a bench of your choosing and putt the ball onto the seal.

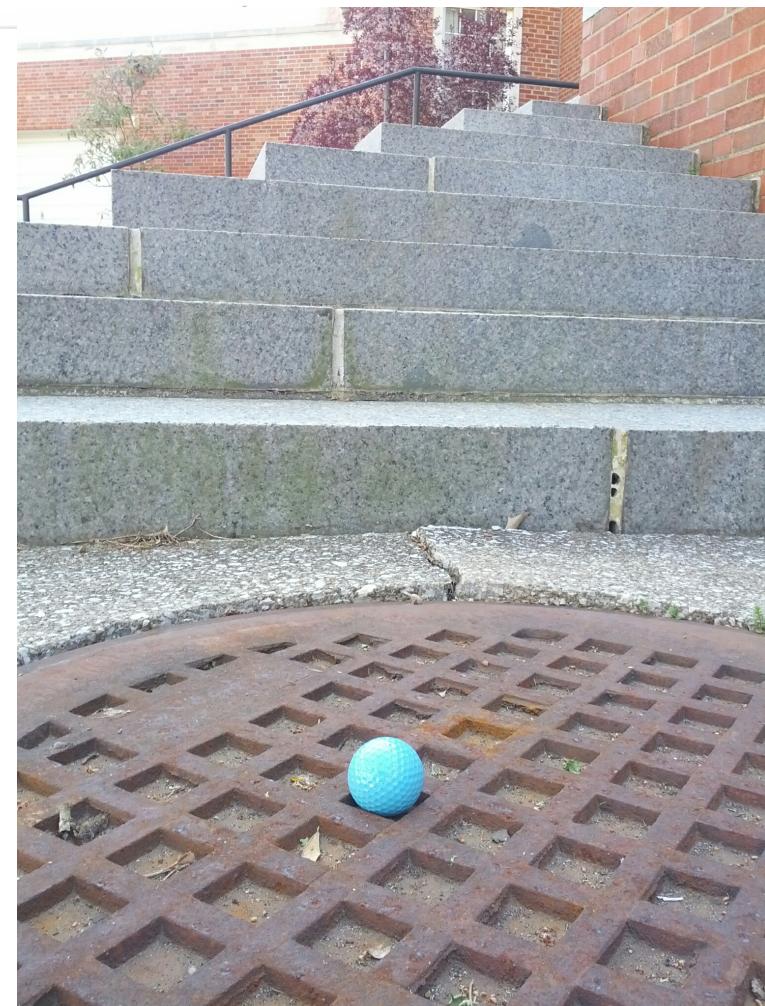

Par 3

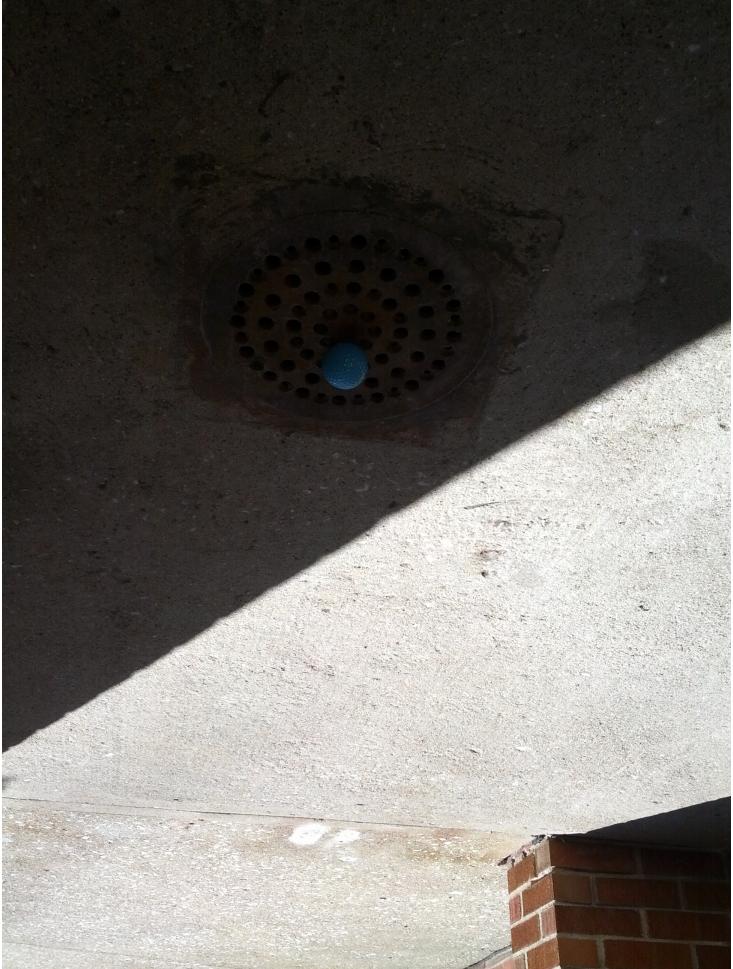

Hole 5:

At the corner of 4th and Upper, on Transy's campus is the Morlan Gallery (with the big stairs). From the top of the first set of stairs, putt down and to the left. You win when the ball rests on the man-hole person-hole cover.

Par 4

Hole 5

You know that bus? Cross walk? For Trans
Students on Broadway? Right? In front of that
is the Haupt Humanities Building. It has a
big staircase in front. The top of the stairs
case has a walkway under it. Starting
from the top, putt your way down the
stairs onto the drain underneath you.

Hole 5!

Putt off the ramp. If it falls, take a stripe
from the top, putt down all three sections
stairs in front of Moran Gallery. Startings
Accessibility ramp. To the right of the
Dun & Go anywhere! The next hole is the
putt. Putt and retrieve your ball with your
penalty and retrieve your ball with your

Hole 6:
